**Creative Team Management**

## **Harjanne Company Ltd Creative Team Management**

*Professional, international, passionate!*

*Put on a great production by finding the best industry professionals for your chosen production. Allow your staff to concentrate on other important matters while a committed and enthusiastic team is managing the creatives for your production.*

Harjanne Company Ltd offers creative team services to allow your staff to use their valuable resources more efficiently during a production. Harjanne Company Ltd takes care of all things related to the creative teams. We offer the highest level of creative minds, and we commit to find the best possible creatives to your show from our wide line-up of international industry professionals. Naturally, all decisions are made together with the client. Within the agreed budget, Harjanne Company Ltd takes care of all fees, costs, scheduling, planning and offers a simple solution for a theatre representative to communicate your needs to the creative team.

## Creative Team Management

*“Epic production has less to do with your willpower and more to do with the routines you install. Get those right, and you’ll enjoy exponential results automatically.” - Robin S. Sharman*

Set valuable resources of your staff free by letting the dedicated team of Harjanne Company Ltd manage the creative team of your production. We offer:

- Bringing the right creative team together for each production. It is crucial for a production to succeed to find the right people to the team. We will work together with the people of your theatre to find a team your production deserves
- Scheduling and planning the creative team journey, from signing the contract to the opening night of your production
- Brilliance in creative design work. Harjanne Company Ltd ensures that the quality and the level of production design will meet the requirement of an international commercial musical theatre production
- Managing all travel planning including possible accommodation needs. This is subject to the agreed budget with the client
- Simple, time saving solution for a representative of your theatre to communicate with some or all members of the creative team. A Harjanne Company Ltd representative will be appointed to each production for you to communicate your needs regarding the creative team with
- Great facilities for the creative team to collaborate. We find it important to allow the members of a creative team to work together and facilitate the circumstances that allow them to do so

The fee of creative team management is formed by the following parts:

- The fees of each member of the creative team
- Travel and accommodation costs, if applicable
